HONORS LIST

I wish at this time to announce the names of individuals who have been granted honor awards for service with CIA. I take this opportunity to commend and thank them for their personal deeds of valor or their significant contributions to the security and intelligence effort of the United States. It is my privilege to recognize and express my personal appreciation and the appreciation of all employees of the Agency for the services of these individuals. We are all benefactors and know that their exceptionally meritorious service and acts of valor mean much to the morale of the Agency.

The attached Honors List includes the names of persons officially affiliated with CIA who have been granted awards since the inception of our Honor Awards Program in 1953. The List is distributed for the information of Agency employees only.
